Race Packs

If you entered before Monday 22nd October, your race packs with race bib, incorporated timing chip and safety pins, have been posted to you and will be with you before race day.

Please note, you may not pass your bib on to another runner. Anyone found running under a number which isn't theirs, will be disqualified immediately. Anyone found to have passed their bib to another runner, will be disqualified from all DB Max races for a period of one year. Runners running under other people's numbers are not insured and have not provided any emergency contact details, in case of an incident, so we have to be firm on these rules.

Please note that bibs, chips, race lists and all literature have gone to print and no transfers, refunds or deferrals are available at this stage.

For those runners who entered on or after 22nd October (**bibs 2693 and above**), registration will be in the **Strawford Centre** at the race circuit. You **must know your race number which has been emailed to you** when arriving at the desk.

Timings for registration are as follows:

- **10k** – 08:15 to 09:15 – Please arrive in plenty of time to register and do not leave it to the last minute.
- **There will also be the chance to collect your race bib on Saturday between 2:30pm and 5pm to avoid any Sunday morning rush.**

Timing Chips

Runners: Your timing chip is attached to your race bib. Please attach the bib as per the video [HERE](#). **Runners do not need to return timing chips after the run.**
