

Race letter for the ARC South West Chilly Road Relays Sunday 3rd November 2019

It's time for the second ARC South West Chilly Road Relays at Castle Combe Race Circuit on Sunday 3rd November 2019.

This race letter includes all the details for race day at this superb, traffic-free venue.

Race Venue

The race venue is Castle Combe Race Circuit, for directions to the venue, please [click here](#). The postcode for Sat Navs is SN14 7EY.

On arriving at the venue, please use the **Westway Entrance** and park as directed by the attendants. Access to the venue will be from 08:30. Please note access will NOT be through the competitor's entrance.

Registration

Registration will be in the DB Max Gazebo on the race circuit, please follow the signs to Race HQ from the car park. Registration will be open from 08:30 until 09:45. Day entries need to be registered by 09:30.

Race bibs and team relay batons will be collected from the registration desk. **You do not receive anything by post.**

You **must know your team's race number which has been emailed to you** when arriving at the desk.

Timing Chips

Your timing chip is attached to your relay baton which will be issued to you at registration. Please ensure you return your Relay Baton at the end of the race.

The timing chips will ensure that your finish results (as well as splits and lap times) are collected by the system.

Remember, **no timing chip, no results.**

Mandatory Pre-Race Briefing

There will be a mandatory pre-race briefing at 09:55 at the start/finish line.

Start Times

All races will start at 10:00

Route

The race starts and finishes in the same place at the chicane at Bobby's.

Adults will complete 2 full laps of the circuit each, with the baton being handed over in the changeover zone on the track. The final runner will break off from the track to finish under the DB Max gantry.

Juniors will complete 1 lap of the track each with the baton being handed over in the changeover zone. The final runner will break off from the track to finish under the DB Max gantry.
