

Kinetic One Castle Combe 10 Mile TT Series 2021

The following rules must be adhered to at all times for those competing in the Kinetic One 10 Mile TT Series 2021. These rules are for the safety of you, other competitors our staff and our permissions to run the events.

If rules change in the event of Government guidance a new list of rules will be produced.

- Upon arrival you will park in front of the stakes laid out on the grass area. This is to ensure social distancing in the car park.
- Rules on spectators will be updated as per Government guidance but are not currently permitted.
- No dogs are permitted at the circuit for these events.
- Please respect all other participants & staff at all times.
- Please follow the latest government social distancing guidelines at all times.
- You must not congregate in groups of more than 6 people at any one time. If you are in a group you must ensure that the social distancing guidelines of 2 metres are adhered to at all times.
- You may warm up on rollers at your car and do **1 warm up lap of the track only** prior to racing (stay off the racing line). Please keep to social distancing rules at all times and maintain a distance of 2 metres from any other individual.
- Never cycle on the track against the flow of cyclists at any time. Anti-clockwise only.
- There will be no registration on the day and all spaces will be booked in advance.
- We cannot provide water at these events, so please bring your own water or sports drink.
- The start will be in the Westway Chicane. Turn right on to the circuit and you will see the start flags. You can complete your warm-up lap and then head to that start flags.
- You will receive a brief at the start area with other competitors that are racing at approximately the same time as you. Please ensure that you keep 2 metres apart at all times.
- When ready you will be called up to the start in order. Again, please adhere to social distancing when heading to the start line.
- You are not permitted to change your start time.
- Hand sanitizer will be available at the start line, we strongly advise that you use it after attaching your timing chip.
- No items of clothing are permitted to be left at the start line. Please leave any clothing in your vehicles.
- Starts will be every 30 seconds to 1 minute. There may be an occasional break in starts to ensure social distancing is maintained.
- Starts are from standing only. There will be no holding of bicycles.
- Competitors will race in an anti-clockwise direction at all times.
- No spitting or clearing of nose at any time.
- When racing, please have respect for other riders and please allow extra space when overtaking.
- There is no drafting.
- Trained staff will have First Aid kits. Any injuries will be self-treated where possible.
- Upon finishing your event, you will make your way to the exit (this is the same place you entered the circuit) in an anti-clockwise direction (staying off the racing line). and return to your car straight away. The finish is in a location where you get almost 1 lap to warm down. No further laps are permitted.
- At the exit of the circuit, there will be a bucket for you to put your timing chip and strap in. Please ensure your timing chip is placed in this bucket – missing chips will be charged for (£45).
- At the exit of the circuit there will be hand sanitizer available. Please make use of it.

- Results will be published live online only and will be accessible at dbmaxresults.co.uk. Although there will be no results slip print outs, the finish times and lap splits will be available immediately to view on your smartphones.
- Warming down may be done on rollers at your vehicle.
- The sessions are for **cycling only**. Castle Combe Circuit management have requested NO running at all around the circuit perimeter at this time.
- There will be no prize giving.
- The venue will close and the gates will be locked 15 minutes after the last competitor has finished.
- There will be a single portable toilet on site for emergency number ones. Please follow the cleaning regime if used.

To protect others, **please DO NOT come to this event if you think you may have symptoms of COVID-19:**

- A high temperature. This means you feel hot to touch on your chest or back (you do not necessarily need to measure your temperature).
- A new, continuous cough. This means coughing a lot for more than an hour, or three or more coughing episodes in 24 hours (if you usually have a cough, it may be worse than usual).
- A loss or change to your sense of smell or taste – this means you've noticed you cannot smell or taste anything, or things smell or taste different to normal.

Thank you for your cooperation. We look forward to welcoming you back to the circuit.
